

Any person who is the chairperson or committee member of an event sponsored by the Byrd Home and School Association must be a current member of the organization. A member of the Byrd HSA is one who has joined the organization by paying the annual dues.

Payment of the annual dues is also required in order to receive the weekly HSA highlights and to be able to pay for events or items on the POS system.

Every participant is expected to pay whatever fee is associated with the particular event. There is no waiver of fees for individuals who are designated as a chairperson or volunteer of the event or activity. The only exception would be for financial hardship, and those requests must be made by the parent to the president of the Home School Association. Each situation will be individually considered by the Executive Committee.

If there are no nominations when the President or Co-Presidents term expires, said person can be re-nominated for a term not to exceed one additional year providing he/she is interested.
